Dear COSP19 President,

The Institute for the Advancement of Justice & Human Rights submits the attached civil society statement for the urgent attention of the COSP19 Bureau during COSP19, now in session.

The submission requests that the CRPD Committee initiate work toward a General Comment on CRPD Article 13 — access to justice in legal proceedings — which, after twenty years of the Convention, remains the only major article without dedicated General Comment guidance.

The IAJ respectfully requests that this statement be shared with the COSP19 Bureau, that receipt be acknowledged, and that the IAJ be considered for follow-up dialogue as Article 13 jurisprudence develops.
